### **CLINICAL EXPERIENCE**

1/12-present **Comprehensive MedPsych Systems, Sarasota, FL**

Staff Psychologist

Provide individual, family, and couples therapy.

Pain Management psychotherapy and education for chronic pain patients.

Psychological pre-surgical evaluations for Spinal Cord Stimulators and Morphine Pumps

11/07-1/12 **Florida State University, University Counseling Center, Tallahassee, FL**

Staff Psychologist

Provide individual, couples, and group therapy, as well as crisis intervention to undergraduate and graduate students presenting with a range of concerns, including developmental or psychiatric conditions, such as mood disorders, psychosis, eating disorders, or symptoms associated with trauma. Other responsibilities include conducting intake assessments, develop and present outreach programs, supervision of pre-doctoral psychology interns, and create and co-facilitate the curriculum for the pre-doctoral Diversity Seminar aimed at enhancing multicultural competencies. As Chair for the Suicide Prevention Committee, coordinate meetings and spearheaded development of "NOLES CARE," a suicide prevention program for the FSU community. Additional responsibilities include serving as liaison for the Center for Academic Retention and Enhancement (C.A.R.E.); a program to support and retain first generation college students.

11/04-10/07 **Maimonides Medical Center, Brooklyn, NY**

Staff Psychologist

Provided individual and group therapy, as well as crisis intervention and case management services to monolingual Spanish speaking patients with chronic mental illnesses in the Latino Adult Outpatient Services Clinic and Latino Continuing Day Treatment Program. Additional responsibilities included supervising psychology interns and externs, psychodiagnostic testing, and serving as liaison with all units of hospital and outside agencies that supported patients from both services. Performed administrative duties, such as ensuring procedures and documentation complied with NY state regulations. Served as Project Leader for the "Cultural Quality Impact Project" sponsored by the NYS Office of Mental Health created to increase the cultural competencies of therapists (from 7/05 to 12/06; served as consultant in 2007).

- 9/03-10/04 **Young Adult Institute and Workshop Inc., New York, NY**  
Psychologist  
Provided psychotherapy to individuals with a range of developmental disabilities, in addition to collateral and family therapy to their family members as needed. Served as consultant to direct care staff and supervisors at three separate day habilitation programs to assist them with the implementation of behavioral techniques, including behavior plans, to manage the challenging behaviors of individuals with a range of developmental disabilities.
- 9/02-8/03 **Maimonides Medical Center (APA Accredited Psychology Internship), Brooklyn, NY**  
Psychology Intern  
Provided individual, family, and group therapy to patients of diverse backgrounds (including monolingual Spanish speaking patients) and various psychiatric diagnoses. Completed psychodiagnostic testing, including intelligence, projective, and objective measures to both outpatients and inpatients. Additional responsibilities included consultation and crisis intervention with all units of hospital. Rotations for internship included Adult and Child and Adolescent Outpatient Services, Adult Inpatient Service, Pediatrics Outpatient and Development Center Units, and Adult Latino Continuing Day Treatment Service.
- 10/01-7/02 **The Resource Center, Dunkirk, NY**  
Applied Behavior Science Specialist I  
Assessed and evaluated the psychological and behavioral needs of individuals of different ages with developmental disabilities and psychiatric conditions. Developed and ensured implementation of individual behavior management programs by monitoring progress through data collection, individual sessions, staff interviews, and direct observation. Documented progress and completed discharge summaries. Additional responsibilities included providing referrals and counseling to clients, and continuing education or training of staff.
- 3/01-9/01 **WCA Health Care System, Psychology Department, Jamestown, NY**  
Assessment Coordinator II  
Administered and scored psychodiagnostic tests to both outpatients and inpatients of all ages on behavioral mental health units. Additional responsibilities included performing preliminary interviews, maintaining case records and consulting with clinical psychologists and clinical specialist as needed.
- 9/99-5/00 **University at Albany, University Counseling Center, Albany, NY**  
Graduate Assistant  
Conducted intake interviews and provided brief psychotherapy treatment, as well as psychological assessments to undergraduate and graduate students under the supervision of a licensed psychologist. Maintaining case records, participating in case conferences and in-service training seminars, and rotating as first level on-call back up to University's Peer Assistance Hotline were additional responsibilities.
- 1/99-8/99 **Crossroads Adolescent Day Treatment Program, Wynantskill, NY**  
Psychology Trainee  
Supervised practicum experience at this New York State Office of Mental Health certified day treatment program for severely emotionally disturbed adolescents ages 12 to 18. Co-facilitated two psychotherapy groups and one psychoeducational group and completed two psychological assessment batteries. Additional responsibilities included: participating in case conferences, treatment planning, and development of behavior protocols with educational and clinical staff. Contributed to therapeutic milieu by performing crisis intervention as needed and collaborated with interdisciplinary team to assist with classroom management.

- 9/98-5/99 **University at Albany, Career Development Center, Albany, NY**  
Counselor  
Provided individual career counseling to undergraduate and graduate students, as well as alumni. Assessments were conducted using the Campbell Interest Skill Survey. Developed and presented career workshops, conducted information tours for classes, and instructed students on résumé writing skills.
- 9/97-5/98 **Capital District Psychiatric Center, Albany, NY**  
Psychology Trainee  
Supervised practicum experience at an inpatient state psychiatric hospital, specifically the Intensive Care Program. This locked unit is designed for individuals that have exhibited seriously disruptive behaviors (self-harm or aggression). Individual therapy with a focus on helping patients regain and maintain control of their behaviors.
- 9/96-5/97 **Psychological Services Center, Albany, NY**  
Psychology Trainee  
Provided individual psychotherapy and career counseling to community members. Other responsibilities included: conducting intake interviews and phone screenings, psychological evaluations.

## TEACHING EXPERIENCE

## RESEARCH EXPERIENCE

- 5/00-6/00 **University at Albany, Evaluation Consortium, Albany, NY**  
Project Director  
Evaluated a state funded Extended School Day Program implemented at eight schools designed to provide enrichment and remediation to students living in an inner city environment.
- 3/99-5/99 **University at Albany, Career Development Center, Albany, NY**  
Graduate Assistant  
Researched the current trends of career assessment methods at other career development centers by interviewing the Directors and Career Counselors, and reviewing university web pages. Investigation also included analyzing assessment instruments, reviewing information provided by test publishers, and conducting internet searches.

- 5/97-8/97 **University at Albany, Department of Counseling Psychology, Albany, NY**  
Graduate Research Assistant  
Contributed to the American Psychological Association Accreditation Self Study Project.  
Responsibilities included: self-orientation to new APA Accreditation criteria, writing a draft of the 1996 self study project, investigating, and reporting the productivity of the department.
- Summers 1997-1998 **University at Albany, Evaluation Consortium, Albany, NY**  
Graduate Research Assistant  
Responsible for the assessment and evaluation of the four technical high schools designated for the Youth Construction Initiative Program in Albany, Buffalo, Syracuse, and Newburgh, NY. Duties included co-coordinating and conducting two visits per site, consulting with the Program Director, and modifying the quantitative instruments, and the interview protocols used for data collection.
- 8/95-3/96 **University at Albany, Department of Counseling Psychology, Albany, NY**  
Graduate Research Assistant  
Assisted in Instrumentation Phase, pilot study of Superfund project, specifically assessing validity and reliability of measurement tools with Native American population. Participated in training for a semi-structured interview (University of Michigan-Composite International Diagnostic Interview) as well as training for neuropsychological testing.
