Professional Experience

6/1/2019-Present

Comprehensive MedPsych Systems, St. Augustine, FL - Adult and Child Psychiatrist

- Duties include outpatient evaluation/assessment, treatment, and medication management for children, adults, and families within a private practice setting.

11/2015-3/2019

Centennial Peaks Hospital, Louisville, CO - Medical Director of Child and Adolescent Unity, Adult and Child Psychiatrist

- Duties include inpatient evaluation/assessment, treatment, and medication management of adults, children, and adolescents within an inpatient mental health setting. I participate in treatment planning with a multidisciplinary team that includes social work, nursing, and utilization review. I evaluate and treat patients on the adolescent, chemical dependency, adult depression and anxiety, and the intensive treatment units. I also supervise the nurse practitioner on the chemical dependency unit and intensive treatment unit.

8/2014-9/2015**Health Solutions (formerly Spanish Peaks), Pueblo, CO - Psychiatrist**

- Duties included outpatient evaluation/assessment, treatment and medication management within a community mental health setting. Duties also included evaluation/assessment, treatment, and medication management within an inpatient setting at the acute treatment unit. I created a walk in treatment clinic for the greater outpatient clinic. I helped to create a clinic within a group home for the developmentally disabled within the Pueblo community.
- Supervised nurse practitioners

9/2009-6/2014**Tulane University School of Medicine, New Orleans, LA- Assistant Professor of Clinical Psychiatry**

- Duties included acting as medical director to a community mental health center serving children, adolescents and their families. I performed initial evaluations, outpatient medication management and participated in treatment planning with a multi-disciplinary team.
- Supervised psychiatric interns and residents
- Duties also included telemedicine to rural parishes of Louisiana. I performed initial evaluations, treatment, and medication management and participated in treatment planning with nursing, social work, and nurse practitioners for adults, adolescents and children.

1/2008-6/2009**Emacre, Santa Clara, CA- Psychiatrist**

- Duties included emergency psychiatric evaluations within a psychiatric emergency room.
- Duties also included coverage for the inpatient psychiatric unit and at the Santa Clara County jail with initial evaluations, treatment, and medication management of adults.

1/2008-6/2009**Center for Discovery Menlo Park, CA- Psychiatrist**

- Duties included evaluation, treatment and medication management of adolescent females with eating disorders in a residential treatment setting.

2/2007-6/2007**Washington DC Department of Corrections, Washington, DC- Psychiatrist**

- Duties included evaluation, treatment and medication management of male and female inmates in the DC jail.
