

PHILIP C. KLINEBURGER, PH.D.
NEUROPSYCHOLOGIST

EDUCATION

- Ph.D., May 2016 **Virginia Polytechnic Institute and State University (Virginia Tech)**
Blacksburg, Virginia
Clinical Psychology (Neuropsychology Focus)
Advisor: David W. Harrison, Ph.D.
Accredited by The American Psychological Association
- August 2016 **Dissertation:** Intense Music-Evoked Emotions & the Dynamic
Functional Capacity Theory: A Neuropsychological Model of Intense
Emotions
- M.S., May 2011 **Virginia Polytechnic Institute and State University (Virginia
Tech)**
Blacksburg, Virginia
Clinical Psychology (Neuropsychology Focus)
Advisor: David W. Harrison, Ph.D.
Accredited by The American Psychological Association
- Thesis:** Acoustic Startle Response in High and Low Hostiles
Before and After a Cold Pressor Task
Major Advisor: David W. Harrison, Ph.D.
- B.S., May 2009 **Longwood University**
Farmville, Virginia
Psychology
Magna cum laude

LIFE SPAN CLINICAL NEUROPSYCHOLOGIST

Comprehensive MedPsych Systems – Fort Myers, Florida
September 2019 - Present

CLINICAL NEUROPSYCHOLOGY POST-DOCTORAL FELLOWSHIP

Site: Neuropsychological Services of New Mexico - Albuquerque, New Mexico
Position: Pediatric Neuropsychology Fellow (July 2017 – July 2018)
Adult Neuropsychology Fellow (August 2018 – August 2019)
Supervisor: John King, Ph.D., ABPP-CN
Dates: July 2017 – August 2019
Experience: 1st year: 50% pediatric/25% adult/25% forensic
2nd year: 50% adult/25% pediatric/25% forensic
Conducted comprehensive outpatient neuropsychological evaluations
Engaged in research using retrospective clinical data.

PRE-DOCTORAL CLINICAL INTERNSHIP

Site: University of Texas Health Science Center at Tyler
Position: Clinical Psychology Predoctoral Intern - Neuropsychology and Rehabilitation track
Supervisors: K. Wortz, Ph.D.; C. Walker, Ph.D.; Paul Andrews, Ph.D., ABPP
Dates: July 1, 2015 - June 30, 2016
Experience: Conducted full inpatient/outpatient neuropsychological assessments with various medical and neurodevelopmental populations, including but not limited to epilepsy, traumatic brain injury. Conducted long-term individual and group therapy in various settings (e.g., neurorehabilitation center, acute psychiatric ward, state run psychiatric hospital), serving adults with a variety of diagnoses, including anxiety, depression, suicidality, behavioral concerns, trauma, and other presentations. Collaborated with physicians in Family Medicine to provide brief counseling. Supervised counseling students at the University of Texas Tyler. APPIC accredited; Meets Houston/Division 40 Guidelines.

SUPERVISED CLINICAL EXPERIENCE

Site: Duke University - Duke Pediatric Neuropsychology Clinic
Position: Pediatric Neuropsychology Extern
Dates: June 2012 to August 2012
Experience: Provided pre- and post-neuropsychological assessment of children undergoing radiation and chemotherapy treatments for cancer; assessed children with learning disorders, rare genetic disorders, and head injuries; responsible for test administration and scoring, clinical interviewing, and medical record review

Site: Virginia Tech Psychological Services Ctr- Neuropsychological Assessment Team
Position: Practicum
Dates: Fall, 2008; Fall & Spring, 2009; Fall & Spring, 2010; Fall, 2011; Spring 2015
Experience: Provided neuropsychological assessment for adolescents, college students, and adults; responsible for test selection, administration, scoring, and integrated report writing; provided cognitive, social, and memory skills training for TBI patients; provided individual psychotherapy; supervised 1st and 2nd year practicum students

Site: Virginia Tech Psychological Services Center - Family Systems Therapy Team
Position: Practicum
Dates: Summer 2008
Experience: Provided individual psychotherapy to university students and community members.

Site: Virginia Tech Psychological Services Center - Cognitive Behavioral Therapy Team

Position: Practicum

Dates: Spring 2008

Experience: Provided individual CBT for anxiety, depression, and substance abuse

Site: Lewis-Gale Medical Hospital

Position: Neuropsychology Extern

Dates: November 2008 - November 2013

Experience: Provided neuropsychological assessment for adult and geriatric patients with complex medical profiles suffering from cerebrovascular accidents, dementia, head injury, neurological conditions.

Site: Neuropsychological Assessment and Rehabilitation Externship – NeuroRestorative

Position: Neuropsychology Extern

Dates: June 2011- August 2011

Experience: Provided cognitive, memory, and social skills training in group and individual formats for individuals with TBI and other neurological disorders in a residential neurorehabilitation setting; conducted neuropsychological assessments; developed therapy regimens for patients and coordinated with staff to execute and track therapy activities and progress.

ADDITIONAL TRAINING AND PROFESSIONAL EXPERIENCE

Meyers Neuropsychology Battery Training Workshop (2016)

Cognitive Processing Therapy Training Workshop: Veteran/Military Version (August 2014)

The Sensory Systems, Eurhythmics, and Sensorimotor Music-Based Interventions for Autism and Neurophysiologic Disorders – Training Workshop (October 2013)

Adolescent Substance Abuse Counselor – Aquila Substance Abuse Program (2006)

ACADEMIC/TEACHING EXPERIENCE

Position: Instructor, Virginia Tech

Class: Clinical Neuroscience

Dates: Fall 2014

Position: Instructor, Virginia Tech

Class: Nervous Systems & Behavior

Dates: Fall 2012 - Spring 2013

Position: Instructor, Virginia Tech

Class: Cognitive Psychology Lab (2 sections)

Dates: Fall 2013

Position: Instructor, Virginia Tech
Class: Psychology of Learning and Memory (2 sections)
Dates: Fall 2011 - Spring 2012

Position: Instructor, Virginia Tech
Class: Physiological Psychology Lab (2 sections)
Dates: Fall 2010 - Spring 2011

Position: Instructor, Virginia Tech
Class: Recitation: Introduction to Psychology (2 sections)
Dates: Spring 2008; Fall 2008; Spring 2009

RESEARCH ACTIVITIES

Position: Research assistant
Site: Behavioral Neuroscience Laboratory at Virginia Tech
Dates: 2009-2016
Responsibilities: Designed several experiments, collected and analyzed data, presented and published papers related to psychophysiological measures including QEEG, EMG, EOG

RESEARCH PUBLICATIONS

Peer-reviewed journal publications:

Klineburger, P.C., Campbell R. W., Harrison, P. K., Harrison, D. W. (2016). Acquired German Accent: A Functional Neural Systems Approach to Foreign Accent Syndrome. *Austin Journal of Neurological Disorders & Epilepsy*, 2016: 3(1):1016.

(2011, October). *Lateralized Differences in Left Hemisphere Activation as a Function of Digestive Stress: Changes in Verbal Fluency Performance and Regulation of Diastolic Blood Pressure Before and After Food Ingestion*. National Academy of Neuroscience 30th Annual Conference, Vancouver, British Columbia, Canada.

Comer, C. S., **Klineburger, P. C.**, Thompson, N. R., Hu, S. R., Godbey, K. E., Lent, J., Stallings, A., & Harrison, D. W. (2010, April). *Acoustic Startle Response Differences and the Effect of a Cold Pressor Task in High- and Low- Hostiles*. Spring Conference of the Virginia Psychological Association.

Golden, L. L., Carmona, J. E., Comer, C. S., Oladosu, F. A., **Klineburger, P. C.**, Grim, T. W., & Harrison, D. W. (2010, May). *Dissociation of the fluency construct: Relative performances on verbal and nonverbal performance*, 22nd Annual Meeting of the Association for Psychological Science, Boston, MA.

Comer, C. S., **Klineburger, P. C.**, Golden, L. L., Thompson, N. R., Foster, P.S., & Harrison, D. W. (2010 September). *Quantitative electroencephalographic outcome assessment of expressive dysphasia and dysprosodia*, 1st Annual Department of Psychology Clinical Research Fair at Virginia Tech, Blacksburg, VA.

Golden, L. L., **Klineburger, P. C.**, Comer, C. S., Thompson, N. R., & Harrison, D. W. (2010, September). *Syndrome analysis and neuropsychological assessment*. 1st Annual Department of Psychology Clinical Research Fair at Virginia Tech: Blacksburg, VA.

Klineburger, P. C. (2006, March). *Rating the devastation of natural disasters: Human vs. Monetary loss*. Presented at Eastern Psychological Association Conference, Baltimore, MD.

Klineburger, P. C. (2006, April). *The effect of increasing a landscape's fractal dimension on its aesthetic appeal*. Carolina's Psychology Conference, Raleigh, NC.

Klineburger, P. C. (2006, June). *Effects of Atrazine and Endosulfan on the development and behavior of Rana Sylvatica*, Virginia Academy of Sciences, Virginia Tech, Blacksburg, Virginia.

GRANTS AND AWARDS

Graduate Research Development Program Grant (Fall, 2010)
Eastern Psychological Association's Psi Chi Regional Research Award - 2006
Student Achievement Award for Psychology – Longwood University – 2006
Longwood Psychology Research Symposium: Best Poster Presentation - 2006
Student Leadership Award – Longwood University – 2004
Presidents list - Spring 2006
Dean's list – Fall 2002, 2003, 2004, 2005 / Spring 2003, 2005, 2006
Alpha Lambda Delta – Freshman Honor Society – 2002
