## CLINICAL EXPERIENCE

- Comprehensive MedPsych Systems – Coral Springs & Tamarac, FL** June 2020 - present  
*Staff Therapist*
- Responsible for providing general mental health counseling as well as addiction counseling to adult individuals and their families within outpatient and IOP settings. EMDR therapy provided for trauma.
- Pathway to Hope** Fort Lauderdale, FL  
*Primary Clinician* April 2019- April 2020
- Responsible for providing addiction and mental health counseling to adult individuals and their families at PHP and IOP levels of care. Individual counseling included completing a biopsychosocial assessment, treatment planning and reviews, ASAMs, safety contracts, weekly individual sessions, and weekly family contact. Provided EMDR therapy to eligible clients with trauma background.
  - Utilized evidence-based approaches to facilitate processing primary groups and larger groups focusing on addiction education, life skills, and emotional regulation skills.
  - Worked with an interdisciplinary team to ensure proper client care including monitoring medication effects and management, behavioral issues at a housing level, and overall therapeutic engagement.
- Evening Sessions Therapist* September 2017- April 2019
- Sole facilitator of the IOP evening sessions program, including working individually with clients who continued services to reacclimate to society. Developed a core curriculum to ensure clients' progress in the working stages of their recovery program.
  - Developed an HIV/AIDs and wellness education group to facilitate to new clients under DCF standards.
  - Facilitated day time processing and psychoeducational groups and created an evidenced based group curriculum containing over forty group templates. Facilitated an art therapy group, providing a safe and creative space for clients to express their emotions freely and mindfully.
- Community Partners, LLC.** West Palm Beach County, FL  
*Outpatient Child & Family Therapist* September 2016-August 2017
- Responsible for providing medically necessary mental health services to identified clients and their families if applicable in the outpatient office, client homes, at school, or other safe community setting depending on the client/family's choice and need.
  - Worked with a wide range of ages and ethnicities, utilizing evidence based and culturally competent approaches.
  - Provided individual sessions, family sessions, behavioral health coordination, and clinical supervision.

**Meridian Associates**

Orlando, FL

*Clinical Intern*

August 2015-May 2016

- Completed mental health assessments, diagnoses, and treatment plans
- Implemented client centered strength and evidence based theories in adult individual and family therapeutic sessions
- Facilitated C.A.N.D.L.E.S. Support Group for youth, ages 16 to 21, in Central Florida Charter High Schools, empowering youth to gain leadership abilities through group activities that promote social connectedness, emotional well being, and post-secondary educational goals.

**Counseling, Mediation, and Educational Center, Inc.**

Sanford, FL
